Maybe it's the way that the stars are aligned  
That's makin' me feel this way tonight  
Maybe it's the words you left unsaid  
Maybe it's the stardust in my head

But I wanna tell ya  
That my heart is busting at the seams, yeah and  
I can't wait another minute  
Life is short, love is sweet  
Ain't no time like this time baby

Maybe it's the way that the night is still  
Or the sound of the rain on my windowsill  
That's makin' all the pieces fit  
Makin' it all make perfect sense

But I wanna tell ya  
That my heart is busting at the seams, yeah and  
I can't wait another minute  
Oh, life is short, love is sweet  
Ain't no time like this time baby

Ooh, yeah

Goes by so fast  
Can't get it back  
There ain't no time  
Like this time

Yeah, I just wanna tell ya  
That my heart is busting at the seams, yeah and  
I can't wait another minute  
Oh, life is short, love is sweet  
Ain't no time like this time baby  
My little baby

Maybe it's the way that the stars are aligned  
And there ain't no time  
Ain't no time  
Ain't no time  
Like this time baby  
Ooh, yeah

Maybe it's the way that the night is still  
Or the sound of the rain on my windowsill  
Yeah, yeah
