I should've known by the way you passed me by  
There was something in your eyes and it wasn't right  
I should've walked, but I never had the chance  
Everything got out of hand, and I let it slide

Now I only have myself to blame  
For falling for your stupid games  
I wish my life could be the way  
It was before I saw your face

You stole my happy, you made me cry  
Took the lonely, and took me for a ride  
And I wanna undo it

You had my heart, now I want it back  
I'm starting to see everything you lack  
Boy you blew it, you put me through it  
I wanna undo it

Na, na, na, na, na  
Na, na, na, na, na  
Na, na, na, na, na na

Now your photos don't have a picture frame  
And I never say your name, and I never will  
And all your things, well, I threw them in the trash  
And I'm not even sad

Now you only have yourself to blame

For playing all those stupid games  
You're always going to be the same  
Oh no, you'll never change

You stole my happy, you made me cry  
Took the lonely, and took me for a ride  
And I wanna undo it

You had my heart, now I want it back  
I'm starting to see everything you lack  
Boy you blew it, you put me through it  
I wanna undo it

Na, na, na, na, na  
Na, na, na, na, na  
Na, na, na, na, na na

You want my future, you can't have it  
I'm still trying to erase you from my past  
I need you gone so fast

You stole my happy, you made me cry  
Took the lonely, and took me for a ride  
And I wanna undo it

You had my heart, now I want it back  
I'm starting to see everything you lack  
Boy you blew it, you put me through it  
I wanna undo it

You stole my happy, you made me cry  
Took the lonely, and took me for a ride  
Boy you blew it, you put me through it  
I wanna undo it
