[as performed on American Idol]

I've been cheated and mistreated  
When will I be loved

I've been put down and I've been pushed 'round  
So when will I be loved

When I find a new man  
That I want for life  
It always breaks my heart in two  
It happens everytime

I've been made blue and I've been lied to  
So when will I be loved

Baby, when will I be loved  
When will I be loved

Baby, when will I be loved  
So Tell me, When will I be loved
