Verse 1:

Be exalted in our hearts
Melt these heart of stone
Making them your own
Be exalted in our lives
As we lay them down
Before you now
Be glorified oh God
And may your name be lifted high

Chorus:

Be exalted, be exalted
Hear our praises
As they rise to you

Verse 2:

Be exalted in our homes
May you come and dwell
Live among us now
As you take the highest throne
May we be your light
In the darkest night
And touch a world in need
'Til every captive soul is freed

Chorus:

Be exalted, be exalted
Hear our praises
As they rise to you
Be exalted, be exalted
Move among us
Draw us Lord to you

Bridge:

Be exalted in the heavens
Be exalted in the earths

Be exalted in the nations
'Til everyone has heard
Be exalted in our cities
Be exalted on our streets
By the power of your word, Lord
In every life we meet
(repeat)

(Chorus)
