Verse 1:

You are the open door to freedom
You are the only hope I have
The reason im reason
The only thing that lasts
How could I begin to settle
When all within me longs
To step into the shelter
Of your everlasting arms

Chorus:

I wanna get carried away
I wanna be tossed by your waves
I don't care where or how deep
I'm gonna jump in with both feet
I wanna get carried away
I wanna get lost in you ways
I wanna be held by your truth
I wanna be behold all of you
I wanna be all of yours today
I wanna get carried away

Verse 2:

You are the wisdom of the ages
You are the one who stays the same
The power in the wind
The scent left by the rain
How could I begin to make it
If all I had was me
Just take me as I am Lord
And sweep me out to sea

Bridge:

Some say you're far away
But I know you're here with me
I could go anywhere
But still you'd be there with me

I know you're here with me

(Chorus)
