Verse 1:

We have come to bring our praise to the one who  
changes hearts  
We are moved by your love as you give yourself to us  
And we pledge to give ourselves that the world will  
know your grace  
This grace that captures me

Chorus:

I wanna see your spirit movin' through the streets  
Touching everyone to bring us to our knees  
So won't you pour out from the rivers of my soul  
And let it flow, let it flow, let it flow

Verse 2:

We have come to bring our praise to the one who  
changes hearts  
We are moved by your love as you give yourself to us  
And we pledge to give ourselves that the world will  
know your grace  
This grace that covers me

(Chorus)

We need you  
We yearn for you  
We cry to you  
We need you  
(Repeat)

(Chorus)
