Chorus:

I will lift my eyes to see your  
Precious holy face  
I will lift my voice to sing  
Of your never ending grace  
I will lift my hands and worship  
Before your holy throne  
I will lift my praise and worship you alone

Verse 1:

To you oh Lord  
I lift my soul  
I breathe this prayer  
Come make me whole  
I long for you  
Come meet me here  
And as I worship you, and as I worship you  
As I worship you, you draw near

(Chorus)

Verse 2:

Come oh Lord  
Invade this heart  
Remove the sin  
That keeps us apart  
Cleanse me now  
Come and reign  
As I worship you, as I worship you  
As I wroship I am changed

(Chorus)

Bridge:

Praise you, praise you  
I lift my heart, I lift my soul  
To praise you

Praise you, praise you  
You are worthy of the praise I give to you

To you oh Lord  
We lift our souls  
We breathe this prayer  
Come make us whole  
We long for you  
Come meet us here  
And as we wroship you  
As we worship, you draw near
