One too many times I fell over you  
Once in a shadow I finally grew  
And once in a night I dreamed you were there  
I canceled my flight from going nowhere

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do  
(it's all I can do)

One too many times I twisted the gate  
When I was crazy I thought you were great  
I kept my renditions of you on the wall  
Where holiday romance is nothing at all

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do  
(it's all I can do)

You wait in the wing like a Saturday flirt  
Protecting the judge, you don't want to get hurt  
Once in a moment it all comes to you  
As soon as you get it you want something new

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do  
(it's all I can do)

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do  
(it's all I can do)

It's all I can do  
To keep waiting for you  
It's all I can do

It's all I can do  
(it's all I can do)  
[repeat, fade]
