He's got his plastic sneakers

She's got her Robuck purse

He's got his butane flicker

She's got it worse

CHORUS

They're crazy about each other

They're mad about each other

Like a misplaced fix

They blame it all on the lust for kicks

She fills the scoop

CHORUS

He's just a hit parader

She's just a cycle ride

He likes to masquerade her

And she tells him lies

CHORUS
