It's funny, honey, but you don't care
You never wanna take me anywhere
You ride around in your cadium car [echo]
You keep wishin' upon a star [echo]

Why is it you don't care
Don't ya go, don't ya go, makin' eyes at me
Don't remind me [echo]
Don't you tell me what to do
Shoo be doo
Shoo be doo
Don't ya tell me what to do
Don't ya tell me what to do
Shoo be doo [echo]
Don't ya tell me what to do
Unintelligible [echo]

Shoo be doo [echo]
