Oh well uh you might think I'm crazy  
To hang around with you  
Or maybe you think I'm lucky  
To have somethin' to do  
But I think that you're wild  
Inside me is some child

You might think I'm foolish  
Or maybe it's untrue  
(you might think)  
You might think I'm crazy  
(all I want)  
But all I want is you

You might think it's hysterical  
But I know when you're weak  
You think you're in the movies  
And everything's so deep  
But I think that you're wild  
When you flash that fragile smile

You might think it's foolish  
What ya put me through  
(you might think)  
You might think I'm crazy

(all I want)  
All I want is you

And it was hard, so hard to take  
There's no escape without a scrape  
But you kept it going till the sun fell down  
You kept it going

Oh well uh you might think I'm delirious  
The way I run you down  
But somewhere sometimes  
When you're curious  
I'll be back around  
Oh I think that you're wild  
And so-o uniquely styled

You might think it's foolish  
This chancy rendezvous  
(you might think)  
You might think I'm crazy  
(all I want)  
All I want is you-a-oo  
All I want is you  
(all I want)  
All I want is you
