And I and I will make love to Precious, but

Draw fi yuh needle an yuh needle caan stitch it  
Draw fi yuh axe, and like a cow yuh all a chop it  
Draw fi yuh pickaxe and like a rung yuh all a dig it  
Is like a riverside up pon di banking yuh tek it

A cant believe di day mi friend dem tell mi dat she flee  
A dont believe its angry, I dont believe its grief  
I dont believe its Susan or the other girls I breed  
The love for me she have, that is the only thing I need  
I dont think den right now just to loose my main

Oh guantalamela yuh a killer  
Gal the way yuh hot yuh have mi body under pressure  
Man see yuh body all a kill mosquito  
Hold yuh body right just fi know yuh the power  
CHO  
I tell myself I dont want anybody else to ever love me  
You are my guiding star, my shining light, I love you

But that day you leave and yuh gone  
I now that girls, they are going crazy  
I now the girls lumpsome all a dem a run come

Cause di whole a dem want dis baby
