Id like to show you what Im made of  
Id like to show you a thing or two  
Cause I've got a few friends,  
I've got a good nerve to fight  
And we know just what it feels like, yeah  
What it feels like to lose

We wont give up, we wont give in  
We wont give anything again  
Were on our own, gotta finish it  
We cant let anything resist  
We never wanted it to be like this  
(Wanted it to be like this)  
Just keep pushing till the pieces fit  
Can we disconnect?

They wanna bury you in secrets  
They wanna tell you what you should do  
And they've got a million excuses  
But we know what it means to lose

And we wont give up, we wont give in  
We wont give anything again  
Were on our own, gotta finish it  
We cant let anything resist  
We never wanted it to be like this  
(Wanted it to be like this)  
Just keep pushing till the pieces fit  
Can we disconnect

From a world that would us down pull us down?  
As long as were still standing  
Were gonna hold our ground

We wont give up, we wont give in  
We wont give anything again  
Were on our own, gotta finish it  
We cant let anything resist  
We never wanted it to be like this  
(Wanted it to be like this)  
Just keep pushing till the pieces fit

Can we disconnect

From a world that would pull us down?

(Can we disconnect?)

Were gonna hold our ground

(Can we disconnect?)
