Let's get out
Let's get out of here
I'll go at it alone if I have to, but I need you there
I'm honest with nobody else
Whether or not I make it there is will itself
And I'm honest with only myself
I can't afford to lose you now, not in this hell
But I'll stay with you

I'm a mess a total wreck
A poor excuse without you near to
keep me in check
So take me out, and take me anywhere
I'm out of touch with everything
and I don't care
So I must be out of my mind
The offer I have to give to you is all my time
So I'll stay with you

We sing over and over
And baby I'm a waste of time
