let's get out let's get out of here  
i'll go alone if i have to but i need you there  
and i'm honest with nobody else  
whether or not i make it there is will itself  
and i'm honest with only myself  
well i can't afford to lose you now not in this hell  
but i'll stay with you  
i'm a mess a total wreck  
a poor excuse without you near to keep me in check  
so take me out and take me anywhere  
and i'm out of touch with everything and i don't care  
so i must be out of my mind

and the only thing i have to give you is all my time  
so i'll stay with you  
and we say over and over baby i'm a waste of time  
ohhhhh waoooooo  
and we say over and over baby i'm a waste of time  
oh oh ohohhh we say over and over baby i'm a waste of  
oho ooh waooooo  
and we say over and over baby i'm a waste of time
