Well it's that time
It's that time again
Well it's all coming back around
There she sees me
Oh my god, this is who I've been
And I'm branding each day

Go on and lose it
Go on and lose it all
Go on and lose it
Go on and lose it
(Go, go)
Go on and lose it
Go on and lose it all
Go on and lose it
Go on and lose it all

Immediately we find out then
That I can't be blamed for this
Well did you just figure out today
And your so sweet you say..
Go on and get your own life and live it your way
And I hear you say..

Go on and lose it
Go on and lose it all
Go on and lose it
Go on and lose it
(Go, go)
Go on and lose it
Go on and lose it all
Go on and lose it
Go on and lose it all

Hey
Hey hey
Whoaaaa
Hey, hey, hey
And if we find another thing
We will get ours
And if we find another thing
We will get ours

She's picking up her clothes
She's off and she's running
She says to me
'Go on and lose it'
I think she means well, but
Man I can't tell you as she says to me
'Go on and lose it all'
Go on and lose it all
Go on and lose it all
Go on and lose it all
Go on and lose it all
