Picking up the pieces
To put them back together
Staring at the faces
That hope for something better

Wondering if I'll ever be the same
Wondering if I'll ever feel good again

But I'm still standing
Holding on
Stripped of all these chains you've put on
Cause I'm still young
Oh, I'm still free
You haven't got the best of me

Holding on to reason
But caught up in the moment
With nothing to believe in
Cause everyone is broken

Nothing will ever be the same
No, nothing will ever feel good again

But I'm still standing
Holding on
Stripped of all these chains you've put on
Cause I'm still young
Oh, I'm still free
You haven't got the best of me

Now you're seeing all your bridges burned
You are all waiting for it to be your turn
You're fingers in your waters crossed
Counting down the names of the lives you've caused
(X4)

Oh, but I'm still standing
Holding on
Stripped of all these chains you've put on
Cause I'm still young
Oh, I'm still free

You haven't got the best of me
Yeah, I'm still standing
Holding on
Stripped of all these chains you've put on
Cause I'm still young
Oh, I'm still free
You haven't got the best of me
