I've been waiting for answers
I've been looking for a reason
So I could start all over again
Erase and rewind it back from the end!

[Chorus]
All I ever wanted to be is
Something real, something important
But I'm so damn disappointed
Cause waking up just to get down
Never gets better!

No, I'm never getting better!

I know there's no second chances
But I'm still hoping there's exceptions
So I could start all over again
Erase and rewind it back from the end!

[Chorus]
All I ever wanted to be is
Something real, something important
But I'm so damn disappointed
Cause waking up just to get down
Never gets better!

No, I'm never getting better!

Oh, just to feel it again
Just pretend, I could go back to begin!

[Chorus]
All I ever wanted to be is
Something real, something important
But I'm so damn disappointed
Cause waking up just to get down
Never gets better!

No, I'm never getting better!
It never gets better.
