hey, oh this is another one honey
but it's not the same you say
how could i ask you?
oh c-c-c-come on let me ask you
say, say it just once
till there's nothing left to be said
give me all, give me all
how could ever ask of you
and it's more than i can stand

so maybe tonight
see it for the first time
and it shows, yeah it shows
just give me tonight
see it for the first time
and it shows, yeah it shows

so, maybe this is asking
too much of you
but i'm no mood this time
and i'm thinking 'bout making you mine
oh please just say this once
and there's nothing else to be said
and it's all, baby all
i can think of when i'm with you
and it's more than i can stand

so maybe tonight
see it for the first time
and it shows, yeah it shows
just give me tonight
see it for the first time
and it shows, yeah it shows

is this love
is it now? is it now?
is this love
say it now, come on say it now
and it's more than i can stand

so maybe tonight
see it for the first time

and it shows, yeah it shows
just give me tonight
see it for the first time
and it shows, yeah it shows
