Oh shit, this nigga juicy funny  
He walked up in this club with bout 3 or 4 bunnies  
From a... to an o, ball shit, straight stunting  
I was the one... want, but this nigga throwing hundreds  
Pockets so overweight cause cake on my dinner plate  
Got bitches going ham, I flip them like real estate  
Keep clapping it for me, dollars stuck to your cheeks  
Rolling on ecstasy,... reach my peak  
... in lemonade, drink over stunner bro  
Rose is popper up, but I drink what I wanna bro  
Richer than uncle sam, higher than Amsterdam  
Vip full of strippers... man it's ridiculous how she drop it  
into a split  
Took her Corona bottle and show me her magic trip  
That abracadabra shit, she grabbing all on my dick  
She opening up her mouth, I think it's a perfect fit

She dancing like she fucking, she dancing like she

The way lil mama dancing you would swear lil mama

She dancing like she fucking, she dancing like she

The way lil mama dancing you would swear lil mama

Show me how you throw it back, show me how you ride

Shawty pop that pussy like that mane was inside it  
Show me how you throw it back, show me how you ride

Shawty pop that pussy like that mane was inside it, let's
