It started when an alien device did what it did. It stuck  
itself upon his wrist with secrets that it hid. Now he's  
got superpowers he's no ordinary kid, he's Ben 10.

(Ben 10)

So if you see him you might be in for a big surprise.  
He'll turn into an alien before your very eyes.  
He's slimy, freaky, fast and strong he's every shape  
and size,  
he's Ben 10

(Ben 10)

All new powers he's on the case. Fighting all evil from  
earth  
or space. He'll never stop 'till he makes them pay,  
'cause he's the baddest kid to ever save the day.  
Ben 10

(Ben)

(10)
