I'm never bored when I'm with you  
We're pals, we're buddies through and through  
I wish I knew what to buy for you  
On your birthday

Our friendship goes against the grain  
I've seen you swell up in the rain  
I saw you - didn't see your pain  
Was it termites

It's never hard to talk to you  
Though you stump me with your silence  
I feel so naughty pining here  
For your happy face's guidance

My best friend Plank  
My best friend Plank  
My best friend Plank

Sitting there so silently  
What could you be thinking  
You're not saying; I won't axe  
Is that sealant that you're drinking

Man, you're hammered! Nailed you, pal  
Al Gore's wife's name is "Tipper"  
I knew that we'd be best friends for life  
When I saved you from that chipper

My best friend Plank  
My best friend Plank  
My best friend Plank

Ooo, Plank  
Count the rings, count the rings  
Ooo, Plank  
Count the rings

I'd walk you on the seven seas  
But sawdust always makes me wheeze  
I met your mom and dad the trees  
But please don't get Dutch elm disease

My best friend Plank  
My best friend Plank  
My best friend Plank  
You're my best friend, Plank
