Who gives a fuck about an Oxford comma?
I've seen those English dramas too
They're cruel
So if there's any other way
To spell the word
It's fine with me, with me

Why would you speak to me that way
Especially when I always said that I
Haven't got the words for you
All your diction dripping with disdain
Through the pain
I always tell the truth

Who gives a fuck about an Oxford comma?

I climbed to Dharamsala too
I did
I met the highest lama
His accent sounded fine
To me, to me

Check your handbook
It's no trick
Take the chapstick
Put it on your lips
Crack a smile
Adjust my tie
Know your boyfriend, unlike other guys

Chorus:
The rain is falling now
The sun has just begun
And I don't know what to do

Yeah...

Repeat chorus
