Ladies and Gentlemen
we're tonight's entertainment
Dressed to the tee, and increasingly dangerous.

With a pale white complexion, I don't bother to hide
Because i want the headlines
For myself, not my crimes

Ladies and Gentlemen
we're tonight's entertainment
Dressed to the tee, and increasingly dangerous.

Such a colorful cast, I contain
Simple get up, her silent complaints
When all's quiet her thoughts wake the dead

Ladies and Gentlemen
we're tonight's entertainment
Dressed to the tee, and increasingly dangerous.
