(Some guy talking)

Darling

Ya know, you give a man a reason for living

Not to mention, you take my picture

Now baby, but I give it to you because I love you

Ya know cuz the things that I feel so proud about

The things that you do

Ya know, like runnin' my car into telephone poles

Plus (?) I didn't get mad did I?

Y-Y-y'member, 'member when

W-W-When I tried to take my clothes to the cleaners

And on the way out

My very best pinstripe caught a nail

I didn't get mad

I was proud because you thought, enough of your man

To be in such a hurry

It made me feel grand, yes it did

Uuh I need you, I just need you

[Verse 1]

Uh

You know I was you're bread you're butter

And I ain't talkin bout dat bread I fucked up on you

Cause in my head man I swore I lucked up

Wasn't countin all the butter I spreaded on you

So true now, why would I play you bitch I made you

I'm not talkin bout the things dat I gave you

Clothes wit the labels, I brought you round Hov and da  
label

Spring water while holdin you're age koo

Naw I ain't tryin to degrade you

But you was a lost little girl n you're world boo I saved  
you

Ya pop owe me a favor, I basically raised you

From squada to Bentley-whippin

Ain't have to watch Crips to see how I was livin

Me, so blinded ain't see the Robin Givens in you

Huh, shoulda seen the Ginger in you

Tried to off Beans like raw steam? Go figure

Youu take my dough, spend wit the next nigga you  
crazy bitch?

(Chorus #1)

And dis was the one I trusted  
Who would ever think she would spread like mustard  
Bitch I was your bread and butter  
You shoulda tucked dat bread and butter  
Ya know what?... Dis shit funny to me  
It ain't nuttin but money to me  
You lookin hungry to me  
But I was your bread and butter  
Bitch shoulda tucked dat bread and butter  
Mm Mm Mm Mm Mm Mm Mm Mm

[Verse 2]

You got the whole town laughin at me, silly he  
Silly to see got me feelin silly like Denise like  
Oh what could it be in you, I see  
N dis young P-Y-T  
She got me L-O-V, E-T-K-O'd  
Uh, like Teddy P. whatever she say goes  
But I'm, ready to +Turn Off The Lights+  
Close the door, on my pretty young need I more  
Now peep game wit 'em, need, I, more  
Gimme dat, E thy or  
No Beanie Mac don't play dat crap wit these whores  
She want me missin her (in my room) like the OJ's  
homes  
But I'm on to my zone like O.J. Jones  
Beano brown, cancel dis bitch, I'll buy another one  
It's my world you lil squirrel tryna get a nut bitch  
Do you- what bitch? Lil smut bitch  
Got you're name ringin, spreadin like mustard  
And I'm supposed to trust it after he touched it?

(Chorus #2)

I told dat ass +slow down+ like Puba  
Now you're days are gray like the 4 pound Ruga  
Bread and Butter, see I was you're bread and butter  
F'laaay baby ya hips is gettin big  
Now you gettin thin you don't care about you're whip  
Cuz I was you're bread and butter  
Shoulda tucked dat bread and butter

(Bridge being sung)

So proud, of you.. a'ye-ah

When you do (do) What you do (do)  
How do you know, What you know  
Aw, shame on you

[Verse 3 - Grand Puba]

Yeah

Now you know I was you're bread and butter

You had a shot to be my baby mother

Ain't no sorry I ain't Rueben Studdard

I can't apologize, it's multi-platinum time

Takin all my shit and sendin you back to you're moms  
cryin

So don't cry baby dry, ya eyes

You tried to get all greasy like you super-size fries

So, pack ya shit

Leave the whip

It's been nice but listen ma I gotta defrost ya ice

(Chorus #2)

(Bread and Butter 4x)

\*Mm Mm said repeatedly til fade to end\*
