As far as back as I can remember
I always wanted to be was a gangster
Watch your bitches!

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like Now and Later
Split champagne wishes to bitches, trips to Vegas

Jot down numbers on small pieces of paper
I got ya, skate, watch these bitches catch the vapors
Breaks down doe over a hoe, spend my chips over a
trick?
I don't rock no masquino shit, I don't know know
labeled me no trick

Biatch! You should pay me for dick
All I'm gone do is fuck you crazy
Bust a couple nuts, get lazy, bust another nut, it's
Swayze
Tell your ass don't page me, see you when I see you

You need doe for what? Wouldn't wanna be you
Yeah, I'm a break you off, after I stroke you off
When I break you off, bitch! That's when I broke you off
Tell your ass get lost, only thing I'm gonna pay for is to
be the boss

Can't see me giving no skee's my cheese
Tell 'em like they tell Beans, I got four seeds to feed
Till I fuck you and some change fall out of your ass
(Watch your bitches)
Biatch! Ain't nothing changed, I'm all about the cash

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like Now and Later
(Watch your bitches)
Leave you jelly like fishes, niggas watch your bitches

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat

Gators and flavors, colors like Now and Later
(Watch your bitches)
Leave you jelly like fishes, niggas watch your bitches

You know Mack pop fly bitch, no Jonny Gill 'round my
bitch
Bye Bye bitch, fuck that red dress on
Get a head step on, speed on 'for you get peed on
When I piss, I don't miss, shit

Get mad, scratch your ass, and get glad
'For I, scratch your ass and get Glad-bags
Throw your shit out on the trash
B-Mack, pimp-slash, Hustla, muthafucka!

But, back to the script, when I'm twisted off that sip
You know my twist, Mack on that lick
On that super hero juice but could handle my cake
Quick to throw bags, zams, and cakes

Cocktails come banana and grape
Yellow and purple, everything mellow in your circle
Feeling like metal can't hurt, you got that pro meth 'itch
(Watch your bitches)
Keep a hoe in check quick off that pro meth shit

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like Now and Later
(Watch your bitches)
Leave you jelly like fishes, niggas watch your bitches

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like Now and Later
(Watch your bitches)
Leave you jelly like fishes, niggas watch your bitches

I don't gotta play games and chase a hoe
Spend cheese, say please, and lace a hoe
Man, all my bitches know to suck me off and hit the
door
Especially if I hit before, they know the routine, dick to
jaw

I don't give a bitch shit but game and spit that like Rudy
Raymoore
Man my whole squad play on tours
That's all we do is play on whores
That's up to you if you pay for yours

I might let 'em run around in the apartment
Just don't steal shit or spill shit on the carpet
You know the address, apartment 3F
Find you, fuck you, and flee, and my man Bleek next

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like Now and Later
(Watch your bitches)
Leave you jelly like fishes, niggas watch your bitches

Hey yo, I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like Now and Later
(Watch your bitches)
Leave you jelly like fishes, niggas watch your bitches
