As far as back as I can remember  
I always wanted to be was a gangster  
Watch your bitches

Hey, yo, I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Split champagne wishes to bitches, trips to Vegas

Jot down numbers on small pieces of paper  
I got ya, skate, watch these bitches catch the vapors  
Breaks down doe over a hoe?  
Spend my chips over a trick?

I don't rock no masquino shit  
I don't know who labeled me no trick  
Biatch, you should pay me for dick  
All I'm gone do is fuck you crazy

Bust a couple nuts, get lazy  
Bust another nut, it's Swayze  
Tell your ass don't page me  
See you when I see you

You need doe for what? Wouldn't wanna be you  
Yeah, I'm a break you off, after I stroke you off  
When I break you off, biatch, that's when I broke you  
off  
Tell your ass get lost, only thing I'm gonna pay for is to  
be the boss

Can't see me giving no skee's my cheese  
Tell 'em like they tell Bean's, I got four seeds to feed  
Till I fuck you and some change fall out of your ass  
Biatch, ain't nothing changed, I'm all about the cash

Hey, yo, I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Leave you jelly like fishes, niggas watch your bitches

Hey, yo, I walks like a pimp, talks like a mack

Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Leave you jelly like fishes, niggas watch your bitches

You know Mack pop fly bitch  
No Johnny Gill 'round my, my, bitch, bye bye, bitch  
Fuck that red dress on, get a head step on  
Speed on 'for you get peed on when I piss, I don't miss

Get mad, scratch your ass and get glad  
'For I, scratch your ass and get Glad-bags  
Throw your shit out on the trash  
B-Mack, pimp-slash, hustla, muthafucka

But, back to the script when I'm twisted off that sip  
You know my twist, Mack on that lick  
On that super hero juice but could handle my cake  
Quick to throw bags, zams and cakes

Cocktails cum banana and grape  
Yellow and purple, everything mellow in your circle  
Feeling like metal can't hurt you, got that pro meth itch  
Keep a hoe in check quick off that pro meth shit

Hey, yo, I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Leave you jelly like fishes, niggas watch your bitches

Hey, yo, I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Leave you jelly like fishes, niggas watch your bitches

I don't gotta play games and chase a hoe  
Spend cheese, say please and lace a hoe  
Man, all my bitches know to suck me off and hit the  
door  
Especially if I hit before, they know the routine

Dick to jaw, I don't give a bitch shit but game  
And spit that like Rudy Raymoore  
Man my whole squad play on tours  
That's all we do is play on whores  
That's up to you if you pay for yours

I might let 'em run around in the apartment  
Just don't steal shit or spill shit on the carpet  
You know the address, apartment 3F  
Find you, fuck you and flee and my man Bleek next

Hey, yo, I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Leave you jelly like fishes, niggas watch your bitches

Hey, yo, I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now and later  
Leave you jelly like fishes, niggas watch your bitches
