I'm waiting for the night drifting away  
On the waves of my dreams to another day  
I'm standing on a hill and beyond the clouds  
The wind's blowing still and catching my doubts

I'm hunting on the night the slave to my dream  
An illustrated scene descends in the sleep  
We're playing for the fights emotional games  
I'm turning off my eyes and hiding my shame

A neverending dream, a dream of you  
I believe I received a sign of you  
Tonight I want to hide my feelings too  
As you do and I wanna be with you

A neverending dream, a dream of you  
I believe I received a sign of you  
Tonight I want to hide my feelings too  
As you do and I wanna be with you

I'm waiting for the night drifting away  
On the waves of my dreams to another day  
I'm standing on a hill and beyond the clouds

The wind's blowing still and catching my doubts

I'm watching all the flowers dying away  
In heated breath of life at the dawning day  
I'm waking up in spring and kissing your face  
The sweet moving thing I feel your embrace

A neverending dream

A neverending dream, a dream of you  
I believe I received a sign of you  
Tonight I want to hide my feelings too  
As you do and I wanna be with you

A neverending dream, a dream of you  
I believe I received a sign of you  
Tonight I want to hide my feelings too  
As you do and I wanna be with you

A neverending dream a dream of you  
I believe I received a sign of you  
Tonight I want to hide my feelings too  
As you do and I wanna be with you
