You look kinda cute when you're mad  
your eyes are pretty when you look sad  
nothing's like a salty kiss  
tasting the tears, the tears on your lips

we always forgive and forget  
it's funny how we feel no regret  
cats and dogs and black and white  
picking a fight, we're feeling alright

we should break up cuz baby I love when we kiss and  
make up  
we should break up cuz baby I love when we kiss and  
make up  
we should break up cuz baby I love when we kiss and  
make up  
we should break up cuz baby I love when we kiss and  
make up

(Break Up)

(we should break up)

C'mon baby let it all out  
it's easy to get caught in a roundabout  
better to let off the steam  
than blowin' a fuse if you know what I mean

we should break up cuz baby I love when we kiss and  
make up  
we should break up cuz baby I love when we kiss and  
make up

I know we're two of a kind  
I know we'll get through the bump in the ride  
and how I don't care if we build it up just to tear it down

we should break up cuz baby I love when we kiss and  
make up  
we should break up cuz baby I love when we kiss and  
make up

(break up)

we should break up cuz baby I love when we kiss and  
make up  
we should break up (we should break up)
