Uptown, another endless night
Hearts break in early morning light
Yeah I take my time

Downtown, a lonesome boy at home
Don't know what's really going on
Yeah I take my time

But underneath it all I know it feels so right
I feel I'm going crazy but I wont cry tonight

Don't turn away
I need to say
You are the one who leaves me breathless
Don't run away
I wanna stay
As long as I can be with you
Now I know
I never meant to break a promise
I never meant to say goodbye
Don't turn away
I wanna stay
As long as I can be with you

If I could start it all again
I know your more than just a friend
Yeah I'd turn back time

But underneath it all I know it feels so right
I feel I'm going crazy but I wont cry tonight

Don't turn away
I need to say
You are the one who leaves me breathless
Don't run away

I wanna stay
As long as I can be with you
Now I know
I never meant to break a promise
I never meant to say goodbye
Don't turn away

I wanna stay
As long as I can be with you

Come take my hand, let's break away
Don't stop, don't be afraid
Cause I know we'll be forever

Don't turn away
I need to say
You are the one who leaves me breathless
Don't run away
I wanna stay
As long as I can be with you
Now I know
I never meant to break a promise
I never meant to say goodbye
Don't turn away
I wanna stay
As long as I can be with you

Don't turn away
I need to say
You're the one who leaves me breathless
Don't run away
I wanna stay
You're the one who leaves me breathless
