Can I get a witness?

Can I get a witness?

It's Rob Mayth.

2005.

Can I get a witness?

Rob Mayth.

With the new flavor.

Can I get a witness?

Let's go!

Now it's my time, I buck you up,  
come on feel fieieieiine.

I'm in the mood for crazy things,  
let's cross the liineinine.

I got the drums to make you move,  
good temper viiiieiebes .

You look so shiftless!

Can I get a witness?

Rob Mayth!

Now it's my time, I buck you up,  
come on feel fieieieiine.

I'm in the mood for crazy things,  
let's cross the liineinine.

I got the drums to make you move,  
good temper viiiieiebes .

You look so shiftless!
