How, how am I supposed to feel
When everything surrounding me
Is nothing but a fake disguise
I don't know,
I don't know where I belong
It's time for me to carry on
I'll say goodbye

I can't stop the rain from fallin'
I'm drownin in these tears I cry
Since you left without a warning
I face the dawn with sleepless eyes
No I can't go on
When clouds are pushin' down on me, boy
I can't stop, I can't stop the rain
From fallin

So, tell me where I went wrong

I'm stuck inside a dream long gone
It's hard to reveal the truth
Your love,
Is nothing but a bitter taste
It's better if I walk away,
Away from you

I can't stop the rain from fallin'
Im drownin in these tears I cry
Since you left without a warning
I face the dawn with sleepless eyes
No I can't go on
When clouds are pushin' down on me, boy
I can't stop, I can't stop the rain
From fallin
