I still hear your voice  
when you sleep next to me  
I still feel your touch in my dreams  
Forgive me weakness  
but i don't know why  
Without you it's hard to survive

(chorus)

Cos everytime we touch I get this feeling  
And everytime we kiss I swear i could fly  
Can't you feel my heart beat fast i want this to last  
Need you by my side  
Cos everytime we touch i feel the static  
And everytime we kiss i reach for the sky  
Can't you feel my heart beat so I can't let you go  
Need you in my life

Your arms are my castle  
Your heart heart is my sky  
They wipe away tears that i cry  
Oh the good and the bad times  
We've been through them all  
You make me rise when i fall

chorus x2
