(instrumental)

I'm just a girl

I'm innocent come take my hand

I'll show you the world of my own

You just a boy

Who make me weak who takes my sleep

I need you to dance the night away

I can't stand it anymore now baby

The music makes me feel so crazy

So come on and take my hand

And I'll show you the way to dance

And again and again I need that feeling

'Cause baby I know I'm not dreaming

So come on and take my hand

And I'll show you the promised land
