"Let It Snow"

oh, the weather outside is frightful
but the fire is so delightful
and since weâ€™ve no place to go
let it snow, let it snow, let it snow

it doesnâ€™t show signs of stopping
and iâ€™ve bought some corn for popping
the lights are turned way down low
let it snow, let it snow, let it snow

when we finally kiss goodnight
how iâ€™ll hate going out in the storm
but if youâ€™ll really hold me tight
all the way home iâ€™ll be warm

the fire is slowly dying
and my dear, weâ€™re still defying
as long as you love me so
let it snow, let it snow, let it snow

when we finally kiss goodnight
how iâ€™ll hate going out in the storm
but if youâ€™ll really hold me tight
all the way home iâ€™ll be warm

the fire is slowly dying
and my dear, weâ€™re still defying
as long as you love me so
let it snow (let it snow)
let it snow (let it snow)
let it snow (let it snow)
