I know there's something in the wake of your smile
I get a notion from the look in your eyes, yeah
We've built a love but that love falls apart
a little piece of heaven turns too dark

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do
I don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye

Sometimes you wonder if this fight is worthwhile
The precious moments are all lost in the tide, yeah
They're swept away and nothing is what it seems
The feeling of belonging to your dreams

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do

I don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye

And there are voices
That want to be heard
Too much to mention
But you can't find the words
The scent of magic
The beauty that's been
Then love was wilder than the wind

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do
I don't know where you're going

And I don't know why
But listen to your heart
Before you tell him goodbye
Listen to your heart...mm..mmm

I don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye
