All dressed up and ready to party
Cruising down the boulevard, a rooftop down, yeah
Welcome to the club, get into the sound
Mr DJ put your record on and spin it around and round
We're gonna burn this club to the ground

Boom-boom
What'cha gonna do when the club goes lo-o-o-o-o-co
So put your hands up high gonna blow your mind
When the club goes lo-o-o-o-o-co
Boom-boom
What'cha gonna do when the club goes lo-o-o-o-o-co
Boom-boom
What'cha gonna do?
What'cha gonna do?
Do you like it?
(I like it)

(Loco, Loco)

Put your feet on the ground move up on the dance floor
Addicted to the sound, Mr DJ's gonna give you some
more
Speakers gonna blow up like dynamite
Party detected by satellites
We're gonna burn this club to the ground

Boom-boom
What'cha gonna do when the club goes lo-o-o-o-o-co
So put your hands up high, gonna blow your mind
When the club goes lo-o-o-o-o-co
Boom-boom
What'cha gonna do when the club goes lo-o-o-o-o-co
Boom-boom
What'cha gonna do?
What'cha gonna do?
Do you like it?
(I like it)

(Lo-o-o-o-o-co)

It's cool, you know, we've gotta going on
Up on the dance floor oh (oh), just get in the floor
Hey Mr DJ, gotta give me an earthquake
Why don't you play me the last and the best of Rick
Astley

Boom-boom
What'cha gonna do when the club goes lo-o-o-o-o-co
So put your hands up high, gonna blow your mind
When the club goes lo-o-o-o-o-co
Boom-boom
What'cha gonna do when the club goes lo-o-o-o-o-co
Boom-boom
What'cha gonna do?
