I can see it in your eyes  
No more tears no allabies  
I'm still in love with you  
There's so much I gotta show  
I will never let you go  
But still i know for sure  
Come take me by the hand  
This summer never ends

\*Chorus\*

And I wanna know  
Could you believe in love again  
Please tell me now it's not the end  
Cause this i promise you so true  
This summer belongs to you  
Could you believe in love again  
How can I make you understand  
But this i promise you so true  
This summer belongs to you

This summer belongs to you

Would you catch me if i fall  
Crash and burn and lose it all  
Tell me what to do  
Cause i need you night and day  
Will you ever run away  
Just one more thing to say  
Come take me by the hand  
This summer never ends

\*Chorus\*

And I wanna know  
Could you believe in love again  
Please tell me now it's not the end  
Cause this i promise you so true  
This summer belongs to you  
Could you believe in love again  
How can i make you understand  
But this i promise you so true  
This summer belongs to you

This summer belongs to you
