I know how you kiss me yeah it's great
but last night yeah you dropped the grate.

Now head meets heal.
I hope you got a lot of steal
cause I was soft and now i hope that i am hard

Okay it's great you wrote a little love card
But you need to get the point.
It's not that i love you its...

That I have broke basically all my joints
and now i have you for my cast
you have been great
until now you dropped the grate

Now the song starts to go,
I really love you so....
I love you now
I love you how
I need you now
I need your scowl
It's not that hard now.
Baby come on now
YOU ARE MINE
Mine
MIne
Mine
MIne
Mine.
oh yea. mine
mine...

Now head meets heal.
I hope you got a lot of steal

cause I was soft and now i hope that i am hard

Okay it's great you wrote a little love card
But you need to get the point.
It's not that i love you its...

That I have broke basically all my joints
and now i have you for my cast
you have been great
until now you dropped the grate

Now the song starts to go,
I really love you so....
I love you now
I love you how
I need you now
I need your scowl
It's not that hard now.
Baby come on now
YOU ARE MINE
