You  
Are all I can remember  
After all that we've been through  
Forever in my heart

Now I'm through  
And June feels like november  
So can't believe it's true  
Too long we've been apart

One more night I wanna be with you  
Where I wanna hold you tight  
It feels so right  
Tonight  
So leave it up to you  
And i think the time is right  
To stop the fight

One more night I wanna be with you  
Where I wanna hold you tight  
It feels so right  
Tonight  
So leave it up to you  
And i think the time is right  
To stop the fight

Stop the fight..

Stop the fight..

Why can't true love be forever  
Why did my dream explode  
The day you went away  
Cause i will keep the spell together  
I wish you well of hope  
A girl from yesterday

One more night I wanna be with you  
Where I wanna hold you tight  
It feels so right  
Tonight  
So leave it up to you

And i think the time is right  
To stop the fight

One more night I wanna be with you  
Where I wanna hold you tight  
It feels so right  
Tonight  
So leave it up to you  
And i think the time is right  
To stop the fight
