What is my destination?
Spinning so fast I can't slow down
I lose my head when you're around, yeah

Don't tell me to run away from this
Cause you've got the love I can't resist
How can I breathe?
How should I feel?
Holding me back

Baby what you do, what you do, what you do to me
Makes me want to be somebody I'm not
Every time you do, what you do, what you do to me
Take your chance boy, ready or not

Baby what you do, what you do, what you do to me
Makes me want to be somebody I'm not
Every time you do, what you do, what you do to me
Take your chance boy ready, ready or not

Take your chance boy, ready or not

Longing for inspiration
Somehow you turn me inside out
I need an explanation now, right now

Don't tell me to run away from this
Cause you've got the love I can't resist
How can I breathe?
How should I feel?
Holding me back

Baby what you do, what you do, what you do to me
Makes me want to be somebody I'm not
Every time you do, what you do, what you do to me
Take your chance boy, ready or not

Baby what you do, what you do, what you do to me
Makes me want to be somebody I'm not
Every time you do, what you do, what you do to me
Take your chance boy ready, ready or not

Baby what you do, what you do, what you do to me
Makes me want to be somebody I'm not
Every time you do, what you do, what you do to me

Take your chance boy ready, ready or not
