There's something in your eyes I know I can't resist.
Something in the air, I don't know why.
You were hardly there when i was on my own.
There's something about you that makes me cry.
You were hardly there when I was on my own.
There's something about you that makes me cry.

Can I believe
That your heart still beats for me?
Let me receive
A sign that you're my destiny.
I wanna know.

Give me a reason
For me to believe in,
Can't you see it in my eyes?
That I need a reason,
For I'm still breathing.
Is it time to say goodbye?
'Cause deep in my heart I know
There's a reason
Why I am not leaving,
Why I'm not alone.
So give me a reason
For me to believe in,
Give me a reason.
There's something in your eyes I know I can't resist.
Something in the air, I don't know why.
Can I believe
That your heart still beats for me?
Let me receive
A sign that you're my destiny.
I wanna know.

Give me a reason
For me to believe in,
Can't you see it in my eyes?
That I need a reason
For I'm still breathing.
Is it time to say goodbye?
'Cause deep in my heart I know
There's a reason

Why I am not leaving,
Why I'm not alone.
So give me a reason
For me to believe it,
Give me a reason.
