(If you can't make up your mind now it's goodbye)

(If i can only see)

If i can only see  
That your love for me is not forever  
Then i will always be free  
From these chains of love you bind me to  
Oh baby baby please  
Won't you save your kisses for another  
'cause i won't be a fool  
For the love you promise  
But won't deliver

(If you, if you could only see)

If you could only see  
That my love for you is not for granted  
A question's inside me  
How you keep me hangin' on for nothin'  
Oh baby baby please  
Wont you leave me all alone now honey  
Here's my one last kiss  
If you can't make up your mind now it's good bye

I'm just a simple girl  
Who is hooked to your sweet charm  
But the love you promise will never be here in my arms  
(Never be here in my arms)  
(Never be here in my arms)

(Now it's goodbye)

(Goodbye)
