And I wake up in the  
Morning to the sunshine  
And I go down to the park  
We knew so well

And I think of how we loved  
And laughed and talked a lot  
And the way the sunshine  
Glistened through your hair

The rain comes to remind me  
That I lost you  
And the raindrops hide  
The tears that fill my eyes

And I need you more than ever  
Now, my darling  
Cause without you  
The sun can never shine

[CHORUS]  
Maybe the rain will fall  
Maybe the rain will fall  
Maybe it'll stop and  
I'll be there by your side  
Maybe the rain will fall  
Maybe the rain will fall

A lonely person knows  
When he's lost one  
Another true love's  
Very hard to find

And I know this all  
Because I really lost you  
And the raindrops hide  
The darkness from my mind

[Repeat CHORUS]

Maybe the rain will fall  
Maybe the rain will fall...
