Case is closed
So are your eyes
You've been snoozing all this time
But I won't, I won't stoop myself so low

Hang your head for the death
Of a man with humbleness
Ride your horse 'til the end
And the end is so close to us

Is it any wonder why you hear no laughter now
Is it any wonder why the crowd's been dying down
Is it any wonder why you are the bastard now
Let us give you a clue, let the choir sing as guilty as you

Plead the fifth
Plead with god
Ask yourself why you're here, ask the here why you're
fraud
Kiss the nail
Bleed your mouth
Let those bloody words on us, foul smut will drop out

Is it any wonder why you hear no laughter now
Is it any wonder why the crowd's been dying down
Is it any wonder why you are the bastard now
Let us give you a clue, let the choir sing as guilty as you
Let the choir sing as guilty as you
Is it any wonder why
Is it any wonder why
Is it any wonder why
He is guilty, as guilty, as guilty as you
