I put my hands between your thighs  
And I get lost by hearing your sweet sighs  
Please forgive me, I'm not the type with the mouth to  
close  
But who knows  
I put my lips on the hips that keep me swaying and  
If you hold tight I'll give you a bite of what I'm saying  
No more secrets I know you can't keep them  
Let's say we give it a try tonight

'Cause I know what to do, I know what to do with a boy  
like you,  
And I'll get it right sooner or later cause I know you  
want me to,  
And I'll make you feel so nice  
'Cause it's just a game, I ain't the same as all the other  
Janes

I'm sweating hard with a deep and bold obsession  
And you've been intimidated by this girl's aggression

Let's keep sorrys behind us for now  
I am behaving  
Like my conscience told me not to

And I know what to do, I know what to do with a boy like  
you,  
And I'll get it right sooner or later cause I know you  
want me To,  
And I'll make you feel so right  
'Cause it's just a game, I aint the same as all the other  
Janes

I'll know what to do, I know what to do with a boy like  
you  
And I'll, I know what to do with a boy like you  
With a boy like you, oh  
'Cause it's just a game, I ain't the same, I ain't as plain  
as all The other Janes  
It's just a game, I ain't the same as all the other Janes
