It's only been a week since I've been gone,
7 days just don't seem too long,
We've been fighting since I left,
You can't let the past be,
You me tell that it's over and say stay away from me,

(Chorus)

Girl you're breaking me down,
Down, down, down
And I can't seem to stand my ground
You're breaking me down,
Down, down, down
And I can't seem to stand my ground

I borrow a little money,
Catch a first flight into town,
You're driving me crazy,
Just might burn this whole street down,
Seems so familiar yet I'm somehow out of place,
I can't take no more, I've got to see your face

(Chorus)

Girl you're breaking me down,
Down, down, down
And I can't seem to stand my ground
You're breaking me down,
Down, down, down
And I can't seem to stand my ground

When you break me down...

You break me down and it feels like this wind is here
for good,
We wasted hours talking about those things we never
could,
You reach for my hand but with a chill it starts to shake,
My body says I want you but my soul just cannot take,

(Chorus)

You break me down...
