Sometimes I'm lonely  
Sometimes I'm lost  
Sometimes I let you down,  
No matter how much it costs  
Sometimes I'm reckless  
And I never think twice  
Sometimes I fall apart  
You're always paying the price

[Chorus]

Now I'm lonely, and I don't care  
'Cause I'm the one who let you down  
But if you give me half a chance  
I'll do everything I can to let you know  
I never meant to let you go

Sometimes I wonder  
Why the world has to turn  
And sometimes I break down  
When there's a lesson I should learn  
Sometimes I'm without  
When this life takes it's toll  
Well how can I give you back  
All the things that I stole?

[Chorus]

Now I'm lonely, and I don't care  
'Cause I'm the one who let you down  
But if you give me half a chance  
I'll do everything I can to let you know  
I never meant to let you go

I'm not sure if you can hear me  
So I keep screaming out your name

[Chorus]

Now I'm lonely, and I don't care  
'Cause I'm the one who let you down  
But if you give me half a chance  
I'll do everything I can  
Everything I can  
Because I'm lonely, and I don't care

Now I'm the one who let you down  
But if you give me half a chance  
I'll do everything I can to let you know  
I never meant to let you go  
I never meant to let you go.
