"Nothing Else Matters"

Visit "[Nothing Else Matters](#)" on MotoLyrics.com

So close no matter how far
Forever trust in who we are
Every day for us something new
Couldnt leave much more from the heart
And nothing else matters

Trust I seek and I find in you
And nothing else matters

Open mind for a different view
Never cared for what they know
Never cared for what they do
Never cared for what they say
Never cared for games they play

But I know.....
So close no matter how far
Forever trust in who we are
Couldn't be much more from the heart
And nothing else matters
