

Casey Donahew Band "One Star Flag"

Visit "[One Star Flag](#)" on MotoLyrics.com

Got ice in my veins and blood on my lips and this look
on my face like I
Don't give a shit everybody's acting like I'm the only
one messed up I'm
Staring down the barrel of a whiskey bottle got the
hammer down and I can't
Find the throttle I'm revved up red line lookin for a
place to go and I'm
Headin south like a freight train bound for Texas
there's a girl in fort
Worth who swears I'm on her mind and she tells me the
bed gets cold when
She's all alone and that one star flag is waving like it's
calling me home. I
Got nerves of steel with my head on the gate and when
I nod my head I'll be
Lookin for 8 when my heart beats pumpin so hard I
can't catch my breath. I
Hope it blows and turns into my hand and I'll make a
move for the girls in
The stand and I'll be smiling with a choker while I'm
Holding up the buckle we will be taking it to the bar
because the drinks
Are on me. ke I don't give a shit everybody's acting like
I'm the only one
Messed up I'm staring down the barrel of a whiskey
bottle got the hammer
Down and I can't find the throttle I'm revved up red line
lookin for a
Place to go and I'm headin south like a freight train
bound for Texas
There's a girl in fort worth who swears I'm on her mind
and she tells me
The bed gets cold when she's all alone and that one
star flag is waving like
It's calling me home. If you think I'm easy your
mistaking this left hand
Will leave you shaking I'm a man but I don't break you
can have what you
Can take come and get it don't regret it better just walk
away ke I don't
Give a shit everybody's acting like I'm the only one

messed up I'm staring
Down the barrel of a whiskey bottle got the hammer
down and I can't find
The throttle I'm revved up red line lookin for a place to
go and I'm headin
South like a freight train bound for Texas there's a girl
in fort worth who
Swears I'm on her mind and she tells me the bed gets
cold when she's all
Alone and that one star flag is waving like it's calling
me home waving like
It's calling me home.
